Puppet President Is Being Ordered To Boost a Tariff

(By Associated Press.) Washington, Nov. 80-President Harding has been urged to take a eaders today that the power of the executive would be put behind the the problem and end the long and bill which now reposes with the senate finance committee,

The suggestion was said to have een made to Mr. Harding that he commend in the interest of speedy isposition of the measure the elimination of the American valuation plan from the house bill and the writag of a tariff law on the basis of old method of invoice prices. He was understood to have been urged Callahan, Fla., Nov. 30-Loss esti- to ask congress then to include in ated at \$25,000 was caused here to- the bill a provision empowering the y by fire which destroyed four executive to apply the American valildings before it was brought un- vation b asis of assessing duties

Repub Record Is Described as Big

(By Associated Press) Washington, Nov. 30-The record of the Republican party in the extra session of Congress is described as a "disgraceful failure" by Representa tive Garrett, of Tennessee, acting Democratic leader of the House in statement to appear in the Con gressional Record tomorrow. Although congress is not in session it will issue an "extra" of the Record to acommodate the many members who desired to "revise and extend" their remarks of the last few days of the session.
